

## FALL Membership Meeting

November 13, 2014

### Agenda

8 a.m. – 8:45 a.m.

**Registration & Networking** (*LaCava, Room 395*)

8:45 a.m.

**SNEAPPA Business Meeting** (*LaCava, Room 395*)

9 a.m.

**Session #1: *Sustainability? Who wants to do that?*** – Learn how Bentley University Facilities has embraced sustainability through various operational processes successfully, if somewhat reluctantly. Hear from different voices within Facilities management who have seen increased efficiencies and financial savings from these changes. The team will also discuss what new projects Bentley intends to take on in the future.

***Bentley University Panel Discussion:***

*Rick Bass, Associate Director, Building/Custodial Services*

*Natalie Berland, Manager of Sustainability*

*Ryan Gaffey, Manager of Landscaping & Grounds*

*Joe Hayes, Manager, Energy & Trades/Contractor Services*

□□□□

10 a.m.

***Morning Break/Networking***

□□□□

10:30 a.m.

**Session #2: *Multiple Perspectives when Dealing with Those Difficult Construction Projects*** – Construction projects can be very challenging and sometimes, with all good intentions, certain projects seem to be one problem after another – possibly resulting in finger-pointing, blame games, and maybe legal actions. This panel session will explore various challenging scenarios to provide the different perspectives so we all can learn to better manage these challenges.

**Panel Discussion:**

*Moderator: John Cannon, Assoc Dir of Physical Plant, **College of the Holy Cross***

*Architect: Jeremy Oberc, Project Director, **EYP***

*Contractor: Sean Ditto, Project Manager, **Consigli Construction***

*Owner (Public Projects): Robert Fisher, Assoc Dir/Facilities Management & Planning, **Bridgewater State College***

*Owner (Private Projects): Deb Burbank, Assoc Dir/Construction & Engineering, **Bentley University***

*Owner's Representative: Jonathan Winikur, Founder, **Strategic Building Solutions***

□□□□
