- ERAPPA Committee Reports

9:00 am – 10:00 am

Session #1:

PHYSICAL PLANT STAFF ROLE IN CAPITAL CONSTRUCTION PROJECTS – A discussion of various ways Physical Plant staff can and should influence Capital Construction Projects to include the impact on operations and daily services provided by facilities departments. Anecdotal stories and examples of real life challenges will be shared.

Presenters: **Marc Sklenka**, Senior Director of Project Management, Colliers International; and **John Bryant**, Director of Facilities, The Hotchkiss School

10:00 am – 10:30 am

Networking Break

10:35 am – 11:35 am

Session #2:

HIGH EXPECTATIONS, LOW FUNDING – Squeezing the Most Out of Your Construction Budgets – Early decisions regarding campus business projects can have a dramatic effect on the project budget. Using Residence Halls as a building type case study, the audience will simulate the collaborative process amongst owners, designers, constructors, and end users, selecting and ranking criteria for decision-making – from ‘softer’ elements such as social dynamics and quality of learning environments to ‘harder’ elements such as phasing and sequencing, building materials, long-term maintenance and operating costs. This interactive forum is for anyone involved in capital planning, design, and construction.

Presenters: **Richard Polvino**, AIA, LEED AP, Managing Principal, The SLAM Collaborative (Boston); **Loren Belida**, AIA, LEED AP, BECxP, Project Architect and Project Manager, The SLAM Collaborative; **Eugene Torone**, DBIA, President, The SLAM Construction Services and Designated Design-Build Professional (DBIA™)
