SUMMER Meeting Date: Tuesday, June 12, 2018

Location: Judge Science Center Atrium / Endicott College
(376 Hale Street, Beverly, MA 01915)

Meeting Location: Judge Science Center Atrium

8:00 am – 8:45 am

Registration / Networking

8:45 am – 9:00 am

Welcome & Introduction to the Day (TBD)

9:00 am – 10:00 am

General Session:

HISTORY OF CONSTRUCTION ON THE ENDICOTT CAMPUS – Hear the Endicott team share the history of how their campus has grown from 800,000 sf to just over 2M sf in the last ten years. The team will share lessons learned along the way, including risk-taking and choosing your partners.

Presenter(s): Dennis Monaco, Director of Facilities, Endicott College; Lee Dellicker, Chairman/CEO, Windover; and Tyler Virden, VP/Project Executive, Windover

10:00 am – 10:30 am

SNEAPPA Board of Director Elections (2018-2020)

10:30 am – 11:00 am

Networking Break, to include:

- **Table Display:** Mitigation of Pond/Storm Water Management
-- Campus Bank Restoration Project that involved dredging without removing water, rake harvesting, etc. Will share how to deal with Conservation Commission and special conditions requirement, as well as lessons learned.
- **Potential Tour of Callahan Student Center:** Phased and fully occupied gut renovation of existing Student Center

11:00 am – 12:00 pm

Session By Topic (select one):

1. SUSTAINABILITY – An overview of Endicott’s sustainability efforts over the years (solar canopy, lighting projects, retro commissioning, rebates, student involvement/engagement and how to get stuff done with no and/or minimal \$\$ on bill payment.

Presenter(s): Sarah Creighton, Former Director of Sustainability, Endicott College; Megan Wrenn, Student Involvement, Endicott College

2. HAZARDOUS WASTE (DEP) AUDIT – Coming to your campus soon! Be ready! Hear how Endicott College handled a recent surprise DEP Audit. Lessons learned from the experience will be shared to help prepare others for future campus visits.

Presenter(s): Josh Lynch, Endicott College

12:00 pm – 1:00 pm

Annual New England Clambake Luncheon (“al fresco” at the Pond)
(weather permitting)

1:00 pm – 2:00 pm

Campus Tours (select one):

Tours will attempt to address the campus landscape and changes over the years

OVERVIEW OF SUSTAINABILITY PROJECTS ON CAMPUS: Solar Canopy Parking Lot; Pond Mitigation; Lighting projects on campus

NEW RESIDENCE HALL TOUR: Standard dorm construction; pre-fabricated; full modular (Marblehead Hall, Standish Hall, and Frates Hall)

NEW ACADEMIC BUILDING (under construction) : Will provide a demo of the HoloLens technology on the project site.

 **NOTE:** *Appropriate footwear and attire are required for this tour.*
